This is like establishing rules in a relationship. Every one of us is called to wait in our own way. Changing the language may help you, it may not.

If you are interested in reading the experience of other women, you can check out

I feel very isolated and think it would be so nice to have someone to talk to who has gone through the AND PEACE IN RELATIONSHIPS experience as me. I wish I had been given more information...and more support and encouragement to keep a baby even when not married. That makes me angry, that innocent people are getting hurt all of the time and here we are still trying to live our lives day to day and to heal from the hurt while in all likelihood the other person gets to go on with their lives like everything is alright.

?stanbulKlinikMarch19, atamReply. Our fear that even a mention of the A-word will bring an onslaught of comments, attacks and hurt feelings keeps even helping professionals quiet, to the detriment of those who silently suffer. Besides the call I overheard, everything else was just a guess on my .
