Paying rent never creates equity, property ownership does that, and you can borrow against your real estate to grow any other business. Create Value. PersonalGrowth. However, the emergence of the hybrid real estate model in Australia may shake things up a little in all areas. Part of their value comes from being able to list properties on realestate. It has led to great opportunities within our industry and has helped foster some wonderful client relationships. Ofcourse,thisisanexampleandmoreofareferencepoint,butyoucanseethe some parts of this graph are misleading.
