Most are well-paid and under 40, Goldstein said, and they have chosen rural towns—just as Goldstein did when she moved from New York City. Over the last few decades Adirondack families have had fewer children, Bauer found, declining from more than one child per adult of child-bearing age to just over one per two adults in

Henry Diamond helped renew the focus on the environment in the Adirondacks, a The American Revolution. Forever Wild. Is that because of the Park's strict environmental rules or larger economic Paul Schneider.
