what I wanna Feel how I wanna feel now I can squeeze all the  
hours I choose to devour with ease now I can sing to the trees  
Tarzan on harmonies for free Yeah You've been blocked and  
you're storming Nature is calling for me You got me Yeah I've  
been hung in a bad place Had no sun on my face I've been hung  
in a bad place For too long Yeah I've been hung in a bad place  
Had no sun on my face I've been hung in a bad place For too  
long For too long For too long For too long For too long For  
too long For too long For too long For too long.
