Giveaway: Operation Oleander by Valerie O. The sprawling comic mythology of the series simultaneously highlights different ends of the Disc continent while returning time and time again to persistent groups of beloved characters hailing from different tiers of the social strata—The City Watch, the Witches, the inept wizard Rincewind, the devious Patrician of the city. To the fans that leave rude message let me say this to you.  
They call me a freak. And who will Hannah believe when they do find her?

I can search for a character name and filters so that only scenes where they appear.  
Me. A Lone Planet.
