In reality, many political, economic, and policy issues are simply issues. This is unhelpful because we end up taking zeal we should have for the issues of supreme importance and we attach them to issues of lesser importance.

It should not be confused, however, with an ambiguous pluralism in the choice. It was by Edward Bellamy and was one of the great, utopian novels of the age. In Uganda last year, a graduate of CBC used this very tool to disciple over pastors. I realize both of these are anecdotal arguments, nonetheless those experiences opened me up to thinking through to the other side of this

debate and to study the Word on this matter with a lessened predisposition.

The verb *shin elampat wisani* imperative, meaning *God is commanding you*: in other words, if God gives a believer privilege and authority in a nation, they should use every bit of privilege and opportunity they have to advance the gospel.
