Copies of these folders were given to the Mediterranean Allied Air Forces with a preface giving instructions to crews when bombing targets in the vicinity of these monuments. In response to the unprecedented turmoil and trauma resulting from the war, many artists' reactions changed dramatically over a short period of time as fierce nationalism, enthusiasm for regalia and combat, and even optimism for a more democratic future frequently morphed into mournful reflection,

feelings of loss and betrayal, pacifism, and rage—directed not only at the institutions deemed responsible but also at their own complicity.

Some artists within this style still painted on silk or paper with traditional techniques. Andy Warhol. While the immediate postwar period was one of apparent cooperation and good will between the various victors over Germany, this climate of alliance came to a harsh end as soon as
