A free society is self-adjusting, leading toward greater productivity and public order, and this means inequality. If Obama now represents the status quo, Romney offers nothing better than a promise to restore the radical policies that created the current conditions.

This book is not yet featured on Listopia. That most students chose the prosocial option in my class is notable. But it probably seems impossibly opaque from the outside, since superficially Ahmari and French belong to the same faction on the right – both religious conservatives, both strongly anti-abortion, both deeply engaged in battles over religious liberty where French is a longtime litigator.

The US is, at heart, an independent national state. Robert Nisbet and the Conservative. In his art criticism, he wrote The Stones of Venice – which took on the Classical tradition while defending Gothic art and architecture.
