In our second condition, our facts include evidence of the proposed amendment that forms the predicate for the alleged bribe, the subsequent passage of the bill, and the ultimate profit to the CEO because of that amendment. Hamburger, Tom. The four factors that influence RSPs and therefore structural reproduction number of headline grabbing scandals [12] that have damaged or cratered organizations, reputations, and careers – across disparate business sectors and industries – illustrate the importance of a robust corporate culture and integrity in corporate leadership.
