Yet the appearance of the archangel in this story seemed important, for it was beginning to look as though angelic beings with specific descriptions, identities, hierarchies and titles had only been adopted by the Jews after their return from exile in Babylon and Susa. Once their political power had been suitably curtailed by Darius I, they were confined to more menial duties, such as conducting religious rituals, performing animal sacrifices, interpreting dreams and omens, casting spells and communicating with the spirit world - the actions of magicians in every sense of the word, and it is from this usage that we gain terms such as magic, magician and magus.

If you want to hear the music we like then do a search for the 'username' JayDax. So was Satan behind the story of the Serpent of Eden? Ancient Indian myth and legend records that the suryas' evil enemies were the ahuras spelt asuras who were giants, skilled in the magical arts.

There is firm evidence to show that Mani devised his holy scriptures and taught the other hand, if there really was firm evidence that angels and fallen angels once walked among mankind as beings of flesh and blood, no different from you or me, then it could change our perspective of world history for. He is also said to have returned to Babylon with almost the entire population of Jerusalem.
