I remembered it as the adventurous, though sad, life of a young girl. Thanks for your response. But overall the book was definitely enjoyable.

Click on the cover image above to read some pages of this book! Shelves: reccom Aug 07, Fernando M. Welcome. What a wonderful way to spend a lazy day.

Each of the children forms a special bond with one of the family of dolphins. Ma manages his usual success of making the key characters credible and reasonably well-rounded, but only the boys in the forefront really develop. At one point you'll know when you read it, near the beginning I worried that maybe it would be a bit too intense, but my kids took it in stride better than I did.
