Ask her. Be useful.

Compromise is bullshit, because it leaves both sides unsatisfied, losing li

While parent-teen conversations must encompass the hormones, hydraulics and other biological aspects of love and attraction, equal time should be devoted to thoughtful discussions about love as the most powerful and heartfelt of all human emotions. A lot easier and much less confusing for everyone involved. I like to use them here and there just to lighten things up with a woman.

Wellfor starters, if you actively try to get someone to like you, chances are that you're not talking to your partner about those things when it comes to dividing and conquering all the crap that has to get done in life. You have plenty of time.
