Archived from the original on 14 March Among critics of the British possession of the marbles was poet Lord Byron, who himself fought and died in the Greek war of independence from Ottoman Turkey.

The Acropolis Museum in Athens is ready to re-house the Marbles and have visited It was decorated with sculptures showing Olympian gods, giants, Amazons, a fight between Centaurs and human Lapiths, what is believed to have been a religious procession in honour of the goddess Athena, and other scenes. Collectively, they created the Ancient Greek civilisation, the first advanced society in Europe, now seen as the cradle of Western civilisation, which also influenced civilisations to its east. Clark who in company with J. Argument 3: cultural heritage Perhaps the most impassioned argument for the return of the Parthenon sculptures is that the pieces represent a vital and central part of Greek cultural heritage.
