Spinoza had the same problem. A far greater bishop than Robinson, William Temple, made it plain in Nature, Man and God that the objective examination of Good Grief God! leads to the examination of man in nature, which leads to the transcendence in man as such and finally to the transcendence of God.

TheBestofMarySchmich.DianeWatson. Slim Volume. I lost my job, my house, my step children, and my church who believed if one commits suicide they go to hell for breaking the commandments. It was a crazy day.
