He was one of the first persons to write accounts of what he learned about spirituality in the East, and his works have had a major influence on the spread of Eastern philosophy and mysticism to the West. There were always powerful spiritual principles imbedded in the courses, and people's lives transformed without their quite knowing why.

This book guides the aspiring seeker as to how grace is invoked and how it works. Doth he thank that servant because he did the things that were commanded him? These sins brought me in tears to the mercy seat so many times; but each time victory was shorter. SriAurobindo. In a deeper dive into the Mystery, Lola spent 21 days in blessed silence in India, speaking to no human, only to The Divine Presence within, totally changing her life from there forward.
